JURISDICTION AND STATUTORY PROVISIONS

- 3. Section 2750 of the Business and Professions Code (all section references are to the Business and Professions Code unless otherwise noted) in pertinent part provides the Board may discipline any licensee, including a licensee holding a temporary or an inactive license, for any reason provided in Article 3 (commencing with section 2750) of the Nursing Practice Act.
- 4. In pertinent part, Section 2764 provides the expiration of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary proceeding against the licensee or to render a decision imposing discipline on the license. Under section 2811 subdivision (b) the Board may renew an expired license at any time within eight years after the expiration.
- 5. Section 118 subdivision (b) grants the Board jurisdiction over suspended, expired, forfeited, cancelled, or surrendered licenses:

"The suspension, expiration, or forfeiture by operation of law of a license issued by a board in the department, or its suspension, forfeiture, or cancellation by order of the board or by order of a court of law, or its surrender without the written consent of the board, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the licensee on any such ground."

6. In pertinent part, Section 2761 authorizes the Board to discipline licensees who have been disciplined by another state:

"The board may take disciplinary action against a certified or licensed nurse or deny an application for a certificate or license for any of the following:

- (a) Unprofessional conduct, which includes, but is not limited to, the following:
- (4) Denial of licensure, revocation, suspension, restriction, or any other disciplinary action against a health care professional license or certificate by another state or territory of the United States, by any other government agency, or by another California health care professional licensing board. A certified copy of the decision or judgment shall be conclusive evidence of that action."

COST RECOVERY

7. In pertinent part, Section 125.3 provides the Board may request the administrative law judge to direct a licentiate found to have committed a violation or violations of the licensing

act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case and provides the Board may include those costs in any settlement agreement.

CAUSE FOR DISCIPLINE

(Disciplinary Action by the Florida Board of Nursing)

- 8. Respondent is subject to discipline pursuant to Section 2761 subdivision (a)(4) on the grounds of unprofessional conduct because the Florida Board of Nursing (Florida Board) reprimanded and suspended her Florida nursing license in 2008 and 2010, as follows:
- 9. On or about September 29, 2008, the Florida Board entered findings of fact, made conclusions of law, and issued a final order in the disciplinary action entitled *Department of Health v. Kenita Michelle Hawkins*, case number 2007-08382. The Florida Board found Respondent had failed to meet minimal standards of prevailing nursing practice by repeatedly falling asleep or passing out while on duty in March 2007, and by exhibiting symptoms suggestive of intoxication or use of controlled substances at that time. Respondent did not contest these findings. The Florida Board reprimanded her, ordered her license suspended until she undertook a substance-abuse evaluation, ordered her to complete remedial coursework, and ordered her to pay a fine.
- 10. Respondent failed to timely submit proof to the Florida Board she had completed the coursework required by its 2008 order. As a result, the Florida Board took further disciplinary action on or about February 17, 2010, ordering her license reprimanded and suspending it until she fully complied with the 2008 order and paid additional fines and costs.
- 11. Under Section 2761 subdivision (a)(4) the Florida Board's disciplinary actions reprimanding and suspending Respondent's Florida license in 2008 and 2010 are grounds for the California Board to take its own disciplinary action.
